(Dwight Yoakam)

Chorus:

Takes a lot to rock you baby  
It takes a lot to make you smile  
It Takes a lot to rock you baby  
You make me crawl the extra mile

So much for wishful thinkin'  
So much for beginner's luck  
It takes a lot to rock you baby  
When it comes to love you're double tough

Chorus:

Takes a lot to rock you baby  
It takes a lot to make you smile  
It Takes a lot to rock you baby  
You make me crawl the extra mile

Little things that used to please you  
Are all the things that I do wrong  
It takes a lot to rock you baby  
Tried my damndest all night long

My baby drives a big Rolls Royce  
'Cause my baby says she got no choice  
My baby wears big ol' diamond rings  
'Cause my baby says she need them things

Chorus:

Takes a lot to rock you baby  
It takes a lot to make you smile  
It Takes a lot to rock you baby  
You make me crawl the extra mile

Takes a lot to rock you baby  
It takes a lot to make you smile  
It Takes a lot to rock you baby  
You make me crawl the extra mile

Takes a lot to rock you baby

It takes a lot to make you smile  
It Takes a lot to rock you baby  
You make me crawl the extra mile

Takes a lot to rock you baby  
It takes a lot to make you smile  
It Takes a lot to rock you baby  
It takes a lot to make you smile
