(Dwight Yoakam)

They say this drinkin' will kill me  
I don't know, oh Lord, it might be true  
If I stop I'll just die from your leavin'  
So either way that I go, it's 'cause of you

Chorus:

Death can come from this broken heart  
Or it can come from this bottle  
So why prolong the agony  
Hey, bartender, I think I'll hit the throttle

I don't care how the preacher might preach me  
About the evils of being drunk with wine  
I don't care how the doctor might warn me  
'Cause since you left, it's just a matter of time

Chorus:

Death can come from this broken heart  
Or it can come from this bottle  
So why prolong the agony  
Hey, bartender, I think I'll hit the throttle

I don't care that my friends have all left me  
'Cause they swear that I have gone insane  
And I don't care anymore about livin'  
Without you, just the grave can ease the pain

Chorus:

Death can come from this broken heart  
Or it can come from this bottle  
So why prolong the agony  
Hey, bartender, I think I'll hit the throttle

Yeah, they say this drinkin' will kill me  
I don't know, oh Lord, it might be true  
If I stop I'll just die from your leavin'  
So either way that I go, it's 'cause of you  
Yeah, either way that I go, it's 'cause of you  
Oh, anyway that I go, it's 'cause of you
