Who's there for you when you're cold and alone  
The Teenagers, The Teenagers  
You're playing our songs and you're dancing alone  
You're feeling better, you're feeling better

Heres the plan  
We want to heal the world  
To make it a better place  
For you and your friends  
All together  
Might sound cheesy but  
Always remember

Who's there for you when you're cold and alone  
The Teenagers, The Teenagers  
You're playing our songs and you're dancing alone  
You're feeling better, you're feeling better

So your hero comes along  
With a song to turn you on  
And you move your bed aside  
Making room for you and I  
Looking like you never cried

And if you need a band  
Cause you wanna dance  
Or missing a friend  
Cause you don't have any  
Well we don't care  
Just buy our t-shirts  
And talk about us everywhere  
If you wanna  
Dance, dance, dance, dance, dance, dance, dance ....

Who's there for you when you're cold and alone  
The Teenagers, The Teenagers  
You're playing our songs and you're dancing alone  
You're feeling better, you're feeling better

Who's there for you when you're cold and alone  
The Teenagers, The Teenagers

You're playing our songs and you're dancing alone  
You're feeling better, you're feeling better

Dance, dance, dance, dance, dance, dance, dance ....

Now that you're a fan  
Go write your name on your body  
Take your pen  
Write it down  
I LOVE THE TEENAGERS

Who's there for you when you're cold and alone  
The Teenagers, The Teenagers  
You're playing our songs and you're dancing alone  
You're feeling better, you're feeling better
