Just for your wonderful love, wonderful love

I'd do anything in this whole wide world

Just believe in me, please have a little faith in me

Darling I'll never, I'll never let you down

Darling don't, please don't believe 'em

When they say, I don't love you

Your living alone in this whole wide world

The only thing I need is you, and I need your

Your wonderful love, your wonderful love

Your wonderful love, your wonderful love

Darling, darling, darling, darling, darling

I'm so happy, when I can tell my friends that you're my
girl

I'm so proud, yes, so proud

I just wanna fall on my knees and cry, cry out loud that I
have

Your wonderful love, your wonderful love

Your wonderful love, your wonderful love

Your wonderful love, your wonderful love

Your wonderful love, your wonderful love

I'm so glad, I'm so glad, I'm so glad, I'm so glad

So glad, I, I am, I am
