Boy: "Hey, so what are you doing tonight?"

Girl: "Guess..."

Boy: "Really? Again?"

Girl: "Yea, it's what I do best"

Boy: "Always knew that"

Girl: "But always doubted..."

Can't you shoot me now, together I'm so lonely  
Barred from you somehow, smooth until we fight...  
ourselves... from killing this away from myself again  
you're the queen of this panic and I'm due for  
punishment  
so send your royal aggravations to sting me again

Boy: "If you fell, who would catch you?"

Girl: "Probably no one"

Boy: "I would, I'll never stop catching you"

Girl: "Why? All I do is cause you pain"

Boy: "Come here, feel what I feel"

Girl: "I'm scared"

Take this light, venture out into the world  
you fell into night, so what if I need you sleeping  
Just like always, sometimes least expectations are the  
plan  
swallow my dreams, take the gun out of your left hand

So crash my head, forever we'll be  
one to not be known

So crash my head, forever we'll be  
one to not be known

So crash my head, forever we'll be  
one to not be known

So crash my head, forever we'll be  
one to not be known

Boy: "Hey, you still with me?"

Girl: "Wow, I never knew it could be that way"

Boy: "Today is over, it's now tomorrow"

Girl: "Game over then..."

Boy: "What?"

Girl: "Just don't start over"

Boy: "I promise, don't crash"

Girl: "Never"
