Are you free? Answer, answer  
or are you locked up waiting for me  
Are you free? Answer, answer  
or do you fight to hold the key  
but when no one's praying for you  
I am out looking for escapes  
or ways  
away

(Chorus)

Waiting, whining, lying, crying, trying, flying, dying  
no no. stop, stop, stop  
Waiting, whining, lying, crying, trying, flying, dying  
no no. stop, stop, stop  
We're waiting, I'm whining, they're lying, you're crying,  
no no. stop, stop, stop  
Almost trying, always flying, never never never dying

I can hear you  
Just scream louder  
I can hear you  
a little closer  
fight your way  
fight the step that's blocking you

(Chorus)

Waiting, whining, lying, crying, trying, flying, dying  
no no. stop, stop, stop  
Waiting, whining, lying, crying, trying, flying, dying  
no no. stop, stop, stop  
We're waiting, I'm whining, they're lying, you're crying,  
no no. stop, stop, stop  
Almost trying, always flying, never never never dying

Are you free? Answer, answer

Cheat me down now  
Cheat me down now  
Cheat me down now  
Cheat me down now

Cheat me down now  
Cheat me down now
