I'm taking a ride off to one side

It is a personal thing.

Where?

When I can't stand

Up in this cage I'm not regretting.

I don't need a better thing,

I'd settle for less,

It's another thing for me,

I just have to wander through this world

Alone.

Stop before you fall

Into the hole that I have dug here,

Rest even as you

Are starting to feel the way I used to,

I don't need a better thing

(Just to sound confused)

Don't talk about everyone,

I am not amused by you.

I'm gonna lose you,

Yeah I'm gonna lose you

If I'm gonna lose you,

I'm gonna lose you,

Yeah I'm gonna lose you

If I'm gonna lose you

I'll lose you now for good
