I'm outside your house

2 am it's dark

So many mistakes

Come back home from bars

I am on your side

I just want to tell you off

So many lies

Are taking hold

It's not your fault

There's many scars

I am on your side

It's taken me a long time

I am on your side

I'm on your side

And I listen

Yeah I listen

Can you listen?

Now I'm listening

I am on your side

It's taken me a long time

I am on your side

I'm on your side

(And I listen) I am on your side

(Yeah I listen) It's taken me a long time

(Can you listen?) I am on your side

(Now I'm listening) I'm heading out tonight

(And I listen) I'm heading out tonight
