Suzie can't you see that I've tried my best,
But now my heart is a bit of a mess,
And I've asked so many girls for a bit of glue,
But I still need you,

And I'll try and I'll try, the tears I've got inside,
They must die or they must dry up,
Otherwise I'm gonna drown,

If you see me looking down be kind to me,

And I'll try and I'll try, the tears I've got inside,
They must die or they must dry up,
Otherwise I'm gonna drown,

Myself in a sea of misery,
And that ain't good for me,

Oh can't you see that I've tried my best,
But now my heart is a massive mess,
And I've asked so many girls for a bit of glue,
But I still need you,

And I'll try and I'll try, the tears I've got inside,
They my die or they must dry up,
Otherwise I'm gonna drown,

Wam bam you know I get around,
Three four I am out the door,
'Cause you do love me, more and more.
