

Tellers, The "Another Coin For"

I know I'm drinking too much I know, that I'm acting
rough,
So you kicked me out and you turned me off,

I bought you diamond rings now I ain't got a single
shilling (left),
Give me another coin for the love machine,

99 percent of my luck burned,
And I hope someday it will be my turn,

I'm no more drinking too much I am no more acting
rough,
So do not kick me out and do not turn me off,

I won this diamond ring because of the song,
That I sing (so if you got time),
I've got a couple of coins for the love machine.
