Oh, cat daddy  
Tell me what you know about  
tell me what you know about  
you and me together  
loving so sweet, no beef  
just us two  
Tell me what you know about  
tell me what you know about  
love through any weather  
fuss fight, put you out  
take you back  
cause baby it's a ghetto love affair  
ghetto love affair  
ghetto love affair

Bridge  
Tell me what you know about your man  
hugging blocks all night  
when he should be home hugging you  
Ohhhh  
Tell me if you know what a hustle can do  
to true love

Chorus  
You'll never find  
a better woman  
or a bigger fool  
Tell me what you know about breaking up  
and getting back together  
You'll never find  
a better woman  
or a bigger fool  
Tell me what you know about  
what you know about love

Oh, cat daddy  
But when the money and the fame came  
oh, could it really ever change?  
All you wanna do is crime  
why can't we spend a little time?  
You're unfaithful with my loving

Oh and this money don't mean nothing  
we keep going round and round  
and baby it's a ghetto love affair  
ghetto love affair  
ghetto love affair

#### Bridge

Tell me what you know about your man giving gifts  
to compensate for all his shit  
Oh, tell me if you know what a hustle can do  
I'm telling you  
oh you'll never find

#### Chorus

You'll never find  
a better woman (not no one like me)  
or a bigger fool  
Tell me what you know about breaking up  
and getting back together  
(You had it all in me)  
You'll never find  
a better woman  
or a bigger fool  
Tell me what you know about  
what you know about love (baby)

#### Rap

[Jadakiss]

You doing some mean frontin'  
When I give you a token of my appreciation now it don't  
mean nothing  
I wouldn't call it hateful, it's ungrateful  
Ma I put you on the map molded and shaped you  
You supposed ti thug it out instead you buggin' out  
If that's what loves about I ain't with that  
If I didn't wanna be with you I would've just hit that  
And never call back  
That's my word don't forget that  
You know what never mind  
And it's always your fault never mind  
Pick a better line  
Cuz I don't know nothin bout us gettin back together  
again  
Boo never agin  
Maybe I shouldn't say never  
But in due time I hope I find something better

#### Chorus

You'll never find (you'll never find)  
a better woman  
or a bigger fool

Tell me what you know about breaking up  
and getting back together  
(Cause boy you had my love)  
You'll never find  
a better woman (all my heart)  
or a bigger fool (all my love)  
Tell me what you know about  
what you know about love

(oh say you will never find)  
(you w-w-will never find another woman like me baby)  
(no, no, no, no, no no, no, no)  
(no, no, no, oh)

You'll never find  
a better woman  
or a bigger fool  
Tell me what you know about breaking up  
and getting back together  
You'll never find  
a better woman  
or a bigger fool  
Tell me what you know about  
what you know about love
