[Young Dru]

Yeah

You know I had to do this one

I dedicate this

To everybody in the world that smokes purple

And everybody at the canibus clubs that supply it

This one's for you

(Verse 1)

You're my super saucy dragonfly

Purple, purple

How keep a player so high

I used for have a fetish

For them light green eyes

But since I met you

All I want is purple in my life

You my life and the lover

No one

I put you in the air

And never put nothin' above ya

Who needs a strawberry

Blunt, when you got a bag of grapes

I zig zag

Through traffic to take you on a date

I remember when I first met you

The sweet scent of your perfume

Filled the room, and I just had to get you

And make you mine

It all started with a casual kiss

Then came a twist

I got obsessed, and got attached, and started tearin'  
from the wrist

I drove for miles in a bucket, just to come and pick you  
up

When was stranded down in Amsterdam, at the club,  
stuck

Everyday, I had to see you, you're the girl that I admire  
Everybody wanna hit it, dragonfly, you on fire

Chorus:

Come take a hit of my

Purple  
And just  
Relax  
Off the sac  
And some 'nac

Repeat Chorus

(Verse 2)

She got a green  
Daddy named Urkel, and a mama named Cream  
She got a brother named Barney that likes to party with  
my team  
I weighed her up on the triple beam  
And it seems  
She lost weight, but wait, she still the girl of my dreams  
You're my Purple People Eater  
Canibus club diva  
With ya zodiac signs and (???) us a diva  
I used to mess around with those Mexican mamacitas  
Til I ran into my super saucy purple prize eater  
Even with my cost, but you always give me a lift  
Cause you my princess, my sweet passion, my God's  
gift  
Everytime I see you, I just wanna bone you, girl  
You so fly, I wanna comb you, girl

Repeat Chorus Four Times

[Singer]

Come take a hit of my purple
