i can climb most any mountain
jump off the other side
runnin' through the wilderness
cross any road without takin' my time

push
gonna get it
push
gonna run it open while 'til i'm blind

chorus
playin' in the dirt
face in the mud
sacerficing flesh and blood
playin' in the dirt
takin' in the ground
all i'm askin' you where ya gonna be when it all goes
down

i'm runnin' a little hotter
gonna find the better nine
gonna be just a little smarter
yeah i'm gonna take all this time

push
gonna hit it
push
gonna run it open while 'til i'm blind

chorus

and i'm gonna run it open while 'til i'm blind

chorus

down(5 more x to end the song)
