You stood in the rain
Packed up and ready to go
My tears are falling again
Its because of you...

Will you call me when you get there
Will you miss me everyday
Coz i'll be waiting here at home
'til you knock on my door again

Chorus:

Baby please don't say goodbye
I love you too much just to let you fly
I need you to my only one
Even if you're a thousand miles
Away from here.....
Away from here.....

(Back to chorus)

I love you too much just to let you fly
Don't say goodbye (Don't say goodbye)

Don't say goodbye
Even if you're a thousand miles
