Baby listen to me
I want you to tell me the truth
Stop being an actor
And put my love into your game

Can't you see I love you more then you know
Can't you see I'm trying to be honest

Don't deny me, I know it won't last forever
Don't argue me, your reason is not enough to make me
Believe in everything you did
Ooh baby

Don't you give me my heart, Baby
Don't you see i'm trying to be honest

Coz i'm ready to loose you
And i'm ready to let you go
So i'm ready to leave without you
Please don't try to hold me
Coz i'mready to loose you
I'm ready to loose you
