Obscene fantasy spins in my mind I'm going nowhere
Love the way I feel when I am lost In your Barbed Wire
Hair I am cut on Silky breath My dear my heart keeps
racing Sewer in this mind Don't care much for this Life
I'm facing Give me back my sugar cane Kept me up
Kept me sane Feel no sunshine Feel no rain Don't know
if I'll ever Love again... Mirror to my mind You seemed
so kind My trust's unerring Messed her head up real
good Do you find that life's disturbing? I'm so tired
most of the time My heart keeps twisting burning Gut
implodes on ice I want now that This world stops
turning Give me back my sugar cane Kept me up Kept
me sane Feel no sunshine Feel no rain Don't know if I'll
ever Love again... I promise please Down on my knees
I'll be your whore Just give me More...Give me back my
sugar cane Kept me up Kept me sane Feel no sunshine
Feel no rain Don't know if I'll ever Love again...Don't
know Will I ever love again?
