heavy water  
that falls all over me  
i asked her  
then i fell asleep

i don't believe i asked her  
no i don't believe i did  
i believe i fell asleep  
tonight

stop the pilot  
the pilot's flown so high  
so high i'll never come back down  
so i closed my eyes

i do not trust in my conscience  
and i don't believe in wine  
i believe you've made your point to me  
your point to me

is the girl sun and her distant places  
girl sun and her fickle faces  
you're so bright that i closed my eyes so long  
that now you're gone

i asked for heaven  
then she asked me for time  
so i gave her mine  
yeah i gave her mine

i do not trust in science  
and i don't believe in god

i believe you've made your point to me  
your point to me

is the girl sun and her distant places  
girl sun and her fickle faces  
you're so bright that i closed my eyes so long  
that now  
you're a girl sun who lights my way  
girl sun to whom i pray

you're so bright that i closed my eyes so long  
that now, that...

ba ba ba ba ba ba ba ba ba-a-ah ba ba ba ba-a  
ba ba ba ba ba ba ba ba ba-a-ah ba ba ba ba-a  
ba ba ba ba ba ba ba ba ba-a-ah ba ba ba ba-a  
ba ba ba ba ba ba ba ba ba-a-ah ba ba ba ba-a

the sun seems so far away  
the sun stings my eyes  
she my girl sun  
a sting that hurt my eyes  
i didn't realize that i closed my eyes so long

that now you're gone
