She shoots packets in an alleyway Like to go right in
and then take her away Take her to a place I know and
maybe I will someday like to buy her things and take
her out in my car Like to take her home to meet my Ma
and my Pa Kill my 82 year old and baby we'll go far And
I won't hesitate She comes quickly and without no noise
Wanna take her home and show her off to the boys
Wanna take her home and she can play with some of
my toys And I won't hesitate She shoots packets in an
alleyway Kill my 82 year old come take me away And I
won't hesitate
