sex!

it's a regular practice  
don't make it feel like a roundabout process  
and don't think that it's love

girl, if you think that it's phony  
slick like rick and counterfeit money  
don't worry  
cuz it's better than love

but somehow you got me needing to be with you  
make me say it's true  
now i'm stepping on a mine  
uh oh  
kaboom!

so long reality  
let's hope i come back soon  
let's hope i come back soon  
goodbye friends and family  
let's hope i come back soon  
let's hope i come back soon  
let's hope i come back soon  
yeah, let's hope i come back  
soon

sex!  
i begin to wonder  
how it's been known to put people six feet under  
the murder  
of being in love

damn, this makes me nervous  
i can't blame it on a bad dating service  
the burden  
of being in love

but somehow you got me needing to be with you  
make me say it's true  
now i'm stepping on a mine

uh oh

kaboom!

so long reality  
let's hope i come back soon  
let's hope i come back soon  
goodbye friends and family  
let's hope i come back soon  
let's hope i come back soon  
so long reality  
let's hope i come back soon  
let's hope i come back soon  
goodbye friends and family  
let's hope i come back  
let's hope i come back soon  
let's hope i come back soon  
yeah, let's hope i come back

i'm coming home  
i'm coming home  
yeah, i'm coming home today

cuz after everything that's happened  
we were never meant to be  
free, but in the place  
that wipes the smile off my face  
and when i bow my head to say grace  
i wonder where are you?  
yeah, where are you?

let's hope i come back soon  
let's hope i come back soon  
let's hope i come back soon  
yeah, let's hope i come back

i'm coming home  
yeah, i coming home  
mama, i'm coming home today
