Sanitation

Is the new destination

Classical

Who's the next radical

Keep me fed up with the same old get up

What's enough for me is enough for you

And you're leaving town to get a new tattoo

Make it mega bright for you

Future is bright for you

I meant to get away

Dent in history

Religion

To heal the incision

Loud and clear

Your actions speak so loud and clear

Yesterday so fresh and new

You can't decide what is fresh and new

'Cause sarcasm has got the best of me

When the future looks bright for you

See my image on the TV screen

It's actions speak so loud and clear

It'll give you what you want

But what you want is drilled inside your head

Don't listen to me I'm just a hypocrite

A victim of this simple circumstance
