"Pleasant Smell"

Lulu's in the backroom Screaming in her cell I'd like to
switch her off But I don't feel so well You could move
closer I think you have a pleasant smell You could
move in with me Into my pretty hell Dream on Dream
on, please Dream on Dream on Come Ooh you're such
a good boy Bringing in my tea Scratching at my blood
Shoots me with sympathy Don't breathe on me When
you are full of Alcohol I just love it when yo're down
there Cos you look so small Dream on, please
Footsteps in my blood at night Breathing in me strong
Slipping in my rising Keep me up Keep me awake I wish
that they'd be gone So come on
