Something's burning deep within my love
Something's burning deep within my love
Get my gun we'll shoot the mother out
Push it in pull it out
And I want you to go further
Soothe the burn and I shout
Diving back into the water
I feel you safe in my arms
Slipping deep and deep and deeper
And no one fuck with my love
cos I'm capable of murder
Something's burning deep within my love
Something's burning deep within my love
Get my gun we'll shoot the mother out
Fill me in Fill me up
Driving up into the centre
Rolling up reeling in I'm not looking for a father
Overkill I'm not ill
And I don't need any answers
Just dry me down, turn me round
And take cover from the mortar
Something's burning deep within
Shoot the pain down dead
Knock it out and let me sleep
Bullet in my head
Something's burning oh so deep
I don't know should I lie
Knock you out boy if you weep
I'll kill you if you cry
