Sodomize the rage in space and watch your red red
sky Fill my heart with happiness and give me reasons
why Slowly speed my aching need no more so old so
new Breeeeetches in me don't fight just beeee Call your
own come be my home Ripped up sideways chained to
Always spread so wide so true Scratch the very life that
fed and sucked his fingers blue Breeeeetches in me
don't fight just be call your own come be my home Love
the way he puts it ripped and chained but I loved it in as
much Strange daze Strange daze
