not gonna call you  
and i'm not gonna be your friend  
won't be your lover  
never ever ever again

pretty baby  
please don't cry  
i have no reason  
just goodbye

i'm a bad bad person  
and i just wanted to play  
but i'm signing off gently

with my telephone holiday  
telephone holiday  
no calls for you  
with my telephone holiday  
my telephone holiday

like a bunny  
you think i get around  
maybe so baby  
you were just the first girl that i found  
at the party  
which i thought was pretty cool  
little did i know  
that you were still in high school

i'm a bad bad person  
and i just wanted to play  
but i'm signing off gently

with my telephone holiday  
telephone holiday  
no calls for you  
with my telephone holiday  
my telephone holiday  
not gonna call you  
and i'm not gonna be your friend  
won't be your lover  
never ever ever again

pretty baby  
please don't cry  
i have no reason

i'm a bad bad person  
and i just wanted to play  
but i'm signing off gently

with my telephone holiday  
telephone holiday  
no calls for you

i'm waiting  
someone turn me on  
make it sexy  
make it last long  
cuz i'll be your sucker  
that turns your tongue blue  
i'll love you  
but watch out for my way  
and my telephone holiday

my telephone holiday  
my telephone holiday  
my telephone holiday  
my telephone holiday (no calls for you)  
my telephone holiday (no calls for you)  
my telephone holiday (no calls for you)  
my telephone holiday  
my telephone holiday
