She don't build her world
'Round no single man
But she's getting by
Doing what she can
She is free to be
What she wants to be
All she wants to be
Is a modern girl

He wakes and says hello
Turns on the breakfast show
She fixes coffee
While he takes a shower
Hey that was great he said
I wish we could stay in bed
But I got to be at work
In less than an hour

She manages a smile
As he walks out the door
She's a modern girl
Who's been through
This movie before

* She don't build her world

But she's getting by
Doing what she can
She is free to be
What she wants to be
All she wants to be
Is a modern girl
