It's been 2, 000 years since that  
Dreadful night when those bastards  
Took my baby and ended her life. Then  
They turned me into a creature of the  
Night.

I've heard some people say that  
Mine's a life they'd like to lead, one  
Of eternal youth and immortality. All I  
Ask them is that they please hear my  
Plea.

Throughout my history there's been  
One thing on my mind: to get to my  
Baby in the Glorious Afterlife.  
Struggling to find a way to bring my  
Death about. The time has come.  
You think it's 2, 000 years of pure  
Ecstasy and the finest things that this  
Life could ever bring. Well there's a  
Darker side that I've been blinded by.  
2, 000 years of days filled with the  
Purest misery, waking up to pain so  
Thick, I struggle to breathe. Her vision  
Is my memory.

Up in the Glory above is where my  
Angel waits for me. The only way to  
Get to her is to set my demon spirit  
Free. Not the flames of Hell, Lucifer,  
Nothing will stand in my way.  
2, 000 years of hell, I can't wait one  
Minute more. The sun starts rising, so  
I open up the door. My skin starts  
Burning, starts oozing onto the floor.  
I'm returning to her.

Darling, I'm coming home to you.  
Baby, I'm coming home to you. I'm  
Coming home. Darling, I'm coming  
Home to you.

Finally.
