Confused from the moment I  
Took my first breath.  
Who was I? What was I?  
I did not know. Alone, they  
Locked me in a castle room.  
They poked, they bled, they cut,  
They tortured me.  
I can't stand to see my own  
Reflection, 'cause I see the  
Monster they tell me that I am.  
I never wanted anything but  
Happiness, but what was I  
Supposed to do?  
They came at me with hatred  
And sticks of flame, with faces  
As cruel as the harshest Winter's  
Day. They taught me what it was  
To feel the cruelest pain. Well,  
I never even had a chance.  
One day I found a friend to  
Talk to me. We smoked, we  
Ate, we laughed our days away.  
But then they came and they took  
Him from me. Alone I was again.
