I'm That Nigga Yall Don't Know About,
Cause I'm Just Now Coming
Out, Making All Yall Forget About,
All Them Other Rapppers And Players,
About To Have Yall Niggas
Thinking About The Buffalo Sabres,
Cause Yall On Thin Ice,
I'm Going To The Top Of This Buisness, Niggas
Truly Gon Be Like That Niggas Nice,
I Flow Hotter Than Lava, Niggas
Think Since I'm Young,
I Might Cause Drama,
Since It's Like That I
Hope You Got Enough Armor,
Cause I'm Coming Through Ready To Hit
Your Baby Mama,
Hitting This,
Hitting That,
Messing Around With Me,
Your Girl Will Be Ridding Piggy Back,
Picture That,
Me And Your Girl
Swimming In Diamonds And Pearls,
Going Everywhere Just To Explore
The World.

I'm A Young Nigga
Doing What I Gotta Do
Entertaining For Them And You
Keeping It Real For You And My Crew

I'm Representing Buffalo,
Coming Through Stacking Doe,
Smoking Dro,
Just Making Sure,
Everywhere I Go,
I Put On A Show,
That's Not A No No,
If Anything That's A Yes,
It Takes Away Stress,Got
Girls Ready To Lift Up They Dress,

Trying To Do Something Wild, And
They Already Got Like 1 Child,
Chicks On The Corner Selling Their
Body, For Money,
And That Shit Ain't Even Funny,
Drinking Rummy,
Thinking They See Bunnys,
But It's Really Their Imagination,
Calling Radio Stations,
When Their Minds Racing,
Trying To Request A Song,
Cause They Don't Know Right From Wrong.

I'm A Young Nigga
Doing What I Gotta Do
Entertaining For Them And You
Keeping It Real For You And My Crew
