Ain't no sunshine when shes gone
It's not wram when she's away.
Ain't no sunshine when she's gone
and she's always gone too long anytime she goes
away.

Wander where this time she's gone
Wander if she's gonna stay
Ain't no sunshine when she's gone
and this house just ain't no home anytime she goes
away.

coz i know, i know, i know

Hey i'd leave young thing alone ain't no sunshine
whens she's gone.

Ain't no sunshine when she's gone
only darkness everyday.
Ain't no sunshine when she's gone
and she's always gone to long anytime she goes away

Ain't no sunshine when she's gone
and this house just ain;t no home
anytime she goes away
anytime she goes away
anytime she goes away
anytime she goes away
anytime she goes away anytime she goes away
