(Stannard/Gallagher/Morgan/Young)

Hey, hey
I don't understand
What's the plan
Why I'm standing here today
All I've ever known is
A fear to be grown up
And take the blame
It was not too clear
'Cause this is new to me
Was it plain to see?

No time for insecurity
It's never coming back to me, oh no

Chorus

Never seem to get it
When I know what I want
'Cause it's all a lie
Never knew a time when I thought it was right
To get it off my mind
I was oh so blind
I was wrong
Cause it's all about my feelings
From now on

Hey hey
I don't really care if
You share all the pain
That I left behind
It doesn't really matter
Cause now I've got my peace of mind
Let me make it clear

No time for insecurity
It's never coming back to me, yeah hey

Repeat Chorus

It's all about my feelings from now on
It's all about my feelings from now on
It's all about my feelings from now on
Repeat to fade
