(Stannard/Gallagher/Morgan/Young)

And I do like a little conversation
And it's true I don't like to be kept
But with you it's a dangerous combination
And I know I'd be out of my depth

It's that time, ooh, to let it out
I've got a ruse to get me by yeah

Chorus

A little bit of loving girl is all I can give
Lots of pretty faces suit the way that I live
Pull yourself together girl
And get on over here
Time after time, it's not right but I've
Seen the signs now I'm over you

Over you

Now I know I've been feeling kinda kooky
With sigh you've fallen in love
I won't lie, it's an awkward situation
But I'll try to tell you again

It's that time, ooh, to let it out
I've got a ruse to get me by yeah

Repeat Chorus

Over you
Yeah, yeah, yeah, yeah

Yeah, it's that time, ooh, to let it out
I've got a ruse to get me by yeah

Repeat Chorus

Over you
Over you
Over you

Yes, it's true
