(Dennis/Bacharach)

What's in goodbye
An empty world without a heart
Saddens me each time I hear it
Keeping us apart
What's in goodbye

How cruel and so insensitive
Maddens me each time I hear it
How unkind it is, oh it is

Stuck in a cloud full of cold weather
Somewhere in time
Counting the tears as I remember
Drowning in sunshine

What's in goodbye
A place so vast and insincere
saddens me each time I hear it
Yeah, yeah, yeah, yeah

Ooh, ooh, ooh

La da da da da da da da

Stuck in a cloud full of cold weather
Somewhere in time
Counting the tears as I remember
Drowning in sunshine

Counting the tears
The tears that I cried
As you walked away As you said goodbye Goodbye
