[Benzino]

Ladies and gentlemen, right now  
We wanna bring forth to the stage  
A very special guest  
The undisputed Made Men

[Antonio Twice Thou]

Ayo don't run up on me, wit dat rah rah,  
Smoking lah lah  
I'll blow holes in your dada, you nada  
I toke a lotta, choke a lotta... from Havana  
And stroke skins in the Ramada, I open drama  
Told the lamas in my bomba, word to mama  
Ready to war in pajamas in these cold streets  
I hold heat... I'm a known thief, with gold teeth  
Matching custom made gold jeep  
Croam rims, brown Tim's plus a Benz gettin' flown in  
Equipt with shit to make domes spin  
You average, we set standards  
Trend set, Made Men wet  
Anything moving in front of the Tek  
With a maculet, acuret aim, crack the game  
With a homerun, blasting lames wit they own gun  
And its on son, my air crowds got the spare gat  
By the gear shaft, with the clear gats out like tear gas  
The wrong ones since a young gun  
Notta unson hero with a filled sombrero  
Gimme arms Memph, bomb threat phenomenom shit  
I get (Uh!) the doe (Uh!) 'cause I want it (That's right!)

[Benzino]

Made grams makin' alright  
While we push big cars under moon light  
Be those 20 inche mirrors on Mercedes  
Nigga knock for those niggas actin' shady  
Never ever turn my back on my Made Men  
Nigga when its time to set it, just say when  
But for now we gonna ride like its do or die  
And when its all set and done its just you and I

[Mr. Gzus]

C'mon, let the game break "G"  
Even though its da grain 'cause of Made Men  
Sellin' drugs with pistols just to get papes  
211 your spot, leave you an 87  
And a pen and pad be my only weapon  
Aproachin' Armageddon, care to learn a cautious  
lesson?  
Second guessin' in this life can be costly  
When the bangs brokin' leave a nigga frosty  
Frozen stiff from the 40 mill mega lift  
>From a game played out like a Sega gift  
For the streets, shit take a major wiff \*sniffing\*  
Of the high ponent, seedless, canibus and teva, I  
believe that  
It takes a lot of pain away, I do this everyday  
It gotta be a betta way, lookin' for rider  
Tomorrow been sufferin' the sorro  
Took the heat, took the lead, now you follow  
Every road has two paths  
Ones fun and laughs opposite of blood bath  
I chose the better half, run with the cheddar staff  
Avoid the garbage, recycle the trash  
To get track cats slapped up and kidnapped  
'Cause we rappin' don't mean it can happen, see the  
gas clappin'  
Atease, you been clear from the homicide  
Nuthin' ta fear 'cause we here (Just you and I!)

[D Quest]

Here I go again (It's just you and I!)

ohhhhhhhhhh  
Lets ride  
Lets ride  
Here I go again  
That keeps us alright  
Lets ride
