[Hook Part 1 - Mr. GZus]

When you wanna get this loot (right now)  
When you want a Benz coupe (right now)  
When you thug niggas gon' shoot (right now, right now,  
right now)

[Hook Part 2 - Mr. GZus]

When you wanna get these riches (right now)  
When you wanna fuck these bitches (right now)  
It's time to start killin snitches (right now, right now,  
right now)

[Verse 1 - Mr. GZus]

The six re-convicted felon drop gems  
With the clique heat addiction, pop the first one flinchin  
Takin playas out the game, and bench em, then we  
lynch em  
Listenin to Henchmen to finish off the mission (get em)  
All my soldiers into position  
Son clinchin the coke with his finger itchin  
Screamin why his niggas' snitchin  
It's the suckas' way of fuckin with my ones  
You gonna play with guns, then I got em by the tons  
Federal Reserve notes keep me at your throat  
You can tell from the smell from the fire that I wrote  
Don't test this infectious, cause GZus wreck shit  
A tech smith, your last request, next shit, at your  
residence  
Squeeze with no hesitation, stay forever bent - over  
dead presidents  
Commit acts with no malice  
Tryin to ball out, before my number call-out  
Going all-out, can't wait to hear my niggas shout (shout  
it out)

[Hook - Part 1]

[Verse 2 - Antonio Twice Thou]

Twist the Philly up  
Nigga, what's really up (wassup)  
Feel me, throw ya nine-milli up (BOW!)

Guns - get the poppin, forever hip-hoppin  
Hot ones clappin, make it happen, with a Mack 10  
Wildin, off some liquor  
Flee with the heat nigga (yeah)  
Tote some weed nigga (yeah)  
Slow your speed nigga (yeah)  
Throw your hands up high  
You a stand-up guy, that won't testify  
Best have tried, to come bang with the Made  
Compare that, to gun battlin with a switch blade  
Hits blazed (hits blazed), shits played in the club  
Get mix tape love, so you know it ain't a fake  
Was bustin you next, like Russian roulette  
You wet, and I don't fear nothin you rep

[Hook Part 2]

[Verse 3 - Benzino]

?Sissy, get lick off, shut off, bust off, hear off?  
?Don't you wanna take some?  
??  
?Don't you wanna take some? (bust it)  
Since when you didn't know I was a Made Man  
Benzino-Hangman  
Don't get caught up in my gang land  
?D-techs? still be checkin on my resume'  
Still I wet about four niggas anyway  
Never worry about defeat cause I roll deep  
[pause] Got you runnin down your own street  
?So if you wanna get some?  
?? (Made Men)

[Hook - Part 1, Part 2]

[Modified Hook - Mr. GZus]

When you wanna blaze it up (right now)  
When you want dollar figgas (right now)  
Tell me,
