Do you remember back in the day  
when life used to be so free  
never worried about going outside to play hide and  
seek  
how my, things just ain't the same  
go to the market with a little change  
now even milk is cheaper than gasoline

Free  
Donny used to say we're all gonna be, all be free  
Free  
What does it mean to be free

Do you remember fighting in the street  
in absence of peace and losing our way  
oh, yeah that was yesterday  
tell me when will it change  
this world must rearrange and stop  
to think about our babies

Free  
Donny used to say we're all gonna be, all be free  
Free  
What does it mean to be free

Celebrate, celebrate  
(celebrate our freedom)  
we have freedom  
(elevate our future)  
but we got so much further to go  
(celebrate, celebrate where we've come, let it  
resonate)  
Free  
(we have got much further left to go)

I wanna be free  
Donny used to say we're all gonna be, all be free  
Free  
What does it mean to be free  
Donny used to say we're all gonna be, all be free
