V1:

Breaking and entering
Slaughtered my heart
First-degree murderer
That's what you are
You left me cold
To suffer with pain
Lust is the verdict
Which gave you the case

Pleading not guilty
But deep down you are
While your trying to save
Yourself
I'm trying to save my heart
My life's clinging on
I'm stuck feeling lost
So lost

Chorus:

Your love is a crime
A crime
Your love is a crime
A crime
Imprisoned my heart, soul, body and mind
So why must I, sit here
And feel like I'm doing the time
I feel like I'm serving your time

V2:

Armed and so dangerous
Out on the loose
While you're roaming free
I suffer with wounds
Blaming myself
When I did no wrong
I gave you my all
And that wasn't enough

You claim not guilty
You know that

You are
The bloods on your hand
And I have scars
Internal pain you caused
You did me wrong
So wrong

(Chorus)

Bridge:
Guilty, so guilty
This shit is so unfair
You™ re the one that killed us
And I™ m still stranded here

(Chorus 2x)
