#### [Verse 1]

Im'ma make it hard for you dudes try'na stop my show  
Look it's hard for you dudes try'na brow  
Ask Philly was it hard try'na stop TO  
He the main reason that the fans would come fo  
But he took that hit and he bounced rite back  
Got a brand new deal and his pockets is fat  
Like Boost Mobile they been asking "where you at?"  
And you can tell em in Dallas with your Cowboy hat  
Go Big Blue  
Go do what you do  
Gon' have the city goin' crazy, fans gon' love you  
Like Ray Charles you gon' make it Do What It Do  
Still the best in the game and they know that it's true  
Gon' take the team to the top where they used to be  
I can see another trophy up in Big D  
We gon' sell a few records, be back in the Pro Bowl  
One week after, we winning the Super Bowl

#### [Chorus]

Im backkk  
And I'm betta than ever  
Im backkk  
And I'm gettin'this cheedah  
I'm backk  
But this time I'm a Cowboy  
I'm backk  
And I got em sayin "Wow Boy"  
Im backkk  
And I'm betta than ever  
Im backkk  
And I'm gettin'this cheedah  
I'm backk  
But this time I'm a Cowboy  
I'm backk  
And I got em sayin "Wow Boy"

#### [Verse 2]

I am back with a vengeance  
I'm back on the mission  
Got the reciepe bro, so I'm back in the kitchen

Try'na take me out the game people saying I'm missing  
Got the whole worlds undivided attention  
This a brand new year  
Got a brand new team  
I'm a Cowboy now, no more black and green  
And to the hata's who said I wouldn't get my money  
I'm laughing in ya face, haha that's funny  
When it comes to this game, I'm the best on the field  
Some said i was gonna sign just a one-year deal  
But I got what I wanted up front, ten mil.  
Change the rules of the game so now how you feel?  
See when I work my magic, when I catch that rock  
I dominate like Shaq when he's downon the block  
And this prolly be my best season by far  
No more get my eagle on, meet me at the star

[Chorus]  
Im backkk  
And I'm betta than ever  
Im backkk  
And I'm gettin'this cheedah  
I'm backk  
But this time I'm a Cowboy  
I'm backk  
And I got em sayin "Wow Boy"  
Im backkk  
And I'm betta than ever  
Im backkk  
And I'm gettin'this cheedah  
I'm backk  
But this time I'm a Cowboy  
I'm backk  
And I got em sayin "Wow Boy"
