1st verse:

Every day

I find another reason to give him praise

See I was standing up right in a phase

But Jesus brought me out

And his praises shall continually be in my mouth

All of this time

Never knew he was a friend of mine

But I can say I've found a joy divine

And in him I'll abide

Under his shadow I can hide

Every day of my life

chorus:

Every day wit Jesus is sweeter than the day before

Cause every day with Jesus I learn to love him more,
yeah

Jesus saves and keeps me, oh

He's the one that I adore

Cause every day with Jesus is sweeter than the day
before

Every day (Each and every day)

2nd verse:

He sends his tender mercies my way

It's not that I deserve the love that he displays

Just another attribute of his praise

Oh yes, oh yes

Hook:

Some think it's a phase

But I know in my soul that I've been changed, yeah
yeah

Because my Jesus gives me strength, now I can say

That every day with Jesus can be a special day

That's why you hear me say

(Chorus)

[Terri]

He's sweeter, sweeter

I love him, Jesus saves and keeps me oh
He the one that I adore
(cause every day with Jesus is sweeter than the day
before)

[Terri]
Every day
He's Sweeter, oh, whoa oh whoa
My GOD is sweeter, oh, whoa oh whoa
I learn to love him more and more and more and more
Oh, yeah yeah yeah

(Hook)

Sweeter, sweeter than the day before
Sweeter (Y'all come on if y'all love the Lord)
Sweeter (I learn to love him, I learn to love him)
(I know I love him, truly love him, do you love the Lord?)

Sweeter (My GOD is sweeter, my Lord is sweeter)
Sweeter, whoa oh (I know he's sweeter)
(cause every day) Every day with Jesus is

(Terri & Choir)
Sweeter than the day before
