Amai kaori yuuwaku no ito harimegurashi
Iki wo koroshi doku wo dashi toki* wo matsu
Kaigoroshi wo sosenokashita KIMI no sei sa
Maru de akago jiyuu no nai monshirochou

Furuitatsu yokubou obitadashii senritsu
Sobietatsu ganbou kiekakeru ishiki no naka de

Indiscretion. was born.
There is not a meaning to live.
Without a born meaning.
A mere mere mere mere mere lump.

Wakarazuya no KIMI ni sou ano kotoba wo "dare mo
inai ai to boukyo hikari no naka..."

Nigerarenu genjou magamagashii genjitsu
Yugamidasu tenbou azawarau komaku no naka de

Indiscretion. was born.
There is not a meaning to live.
Without a born meaning.
A mere mere mere mere mere lump.

I was born all too soon.
I laugh innocently and sleep innocently.
A mere mere mere mere mere lump.

Dare mo inai koko wa doko darou? tengoku ka jigoku
ka?

* Written koku
