hey sad angel walks, and he talks like a girl

out trying to think why it stinks, he's not a girl

now he's kicked in the gut, they fucked him up, just
enough

they got me down on my knees, I kiss his ring, God is
love

androgynous mind, androgynous mind

androgynous mind, androgynous mind

androgynous mind, androgynous mind

hey hey are you gay? are you God?

my brain's a bomb, to turn you on

everything is all right

god is gay, and you were right

androgynous mind, androgynous mind

androgynous mind, androgynous mind

androgynous mind, androgynous mind

hey hey it's okay, hey hey it's okay (x4)

hey hey it's okay, hey it's okay (x5)

hey hey it's okay, hey hey it's okay (x6)

aaaaaaaaawwwoooooooowwaaaaaaaaooo

god said it's all right, for you to fight

to free your mind

whose side are you on?

like a bomb, your free tonight

androgynous mind, androgynous mind

androgynous mind, androgynous mind

androgynous mind, androgynous mind

hey hey it's okay, hey hey it's okay (x4)

hey hey it's okay, hey it's okay (x5)

hey hey
