I see a dog star divin' at his magic, snatchin'  
keeps me up awake go crystal cracking  
I can't wait  
I can't stay, a candle  
Gotta change my mind before it burns out  
I'm the Cocker on the rock  
Wind is whipping through my stupid mop  
I see a falling snowgirl walking Broadway  
Turns the corner at 14th and I know there's no way  
It's alright  
It's alight candle  
And I know she'll be okay by Sunday  
I'm the Cocker on the rock  
Humming bash starts shining  
In your electric clock  
It's safe to say, candle  
Tonight's the day, candle  
It's alright now, candle  
The wind's away, candle  
Never thought I'd see a dog star falling  
I'm the Cocker on the rock

Wind is whipping through my stupid mop
