She comes into my mind

twisting thru my nerves

I don't understand

a word she says

she's on my side

I love her all the time

I love her all the time

I love her all the time

I love her all the time

She comes into my mind

twisting thru my nerves

I don't understand

a word she says

she's on my side

I love her all the time

I love her all the time

I love her all the time

I love her all the time
