If you want me to  
I will be the one  
that is always good  
and you'll love me too  
But you'll never know  
What I feel inside  
That I'm really bad  
Little trouble girl  
(Kim Gordon)  
Remember mother  
We were close  
Very, very close  
You taught me how to feel good  
flow down life we understood  
curl my hair and eye lash  
hitch my cheeks and do my lips  
Swing my hips just like you  
Smile and behave  
A circle of perfection, it's what you gave  
Then one day I met a guy  
He stole my heart, no alibi

He said:

Romance is a ticket to paradise

Momma, I'm not too young to try

We kissed

We hugged

We were close

Very, very close

We danced in the sand

and the water rose - higher and higher

until I found myself floating - in the sky

I'm sorry mother

I'd rather fight than have to lie

If you want me to

I will be the one

that is always good

and you'll love me too

But you'll never know

What I feel inside

That I'm really bad

Little trouble girl

[Repeats line]

Cross my heart and hope to die

I can not tell a lie

Ah-hu
