What a mess I'm in
What a mess I'm in
Caught between the hero and the heroine
I wanna a hold
I wanna a hold
Left you to your hangups and your hangovers

I wanna be 1000 miles away from me
I wanna ride the tide
From here to sanity
I got a ticket to hide
I got a ticket to hide

Smash the mirror gonna brake through
To my better side
I'm not hanging around
I'm not hanging around
Dig a hole in the country
I'm heading underground

I wanna be 1000 miles away from me
I wanna ride the tide
From here to sanity
From here to sanity

Getting thinner on a dog food dinner
With a H.G.V. for company
Choppin' for a smoke
I've split my personality

I wanna be 1000 miles away from me
I wanna ride the tide
From here to sanity
I wanna be 1000 miles away from me
I wanna ride the tide
From here to sanity
From here to sanity
From here to sanity
From here to sanity
From here to sanity
