Surechigau mainichi ga fueteyuku keredo
Otagai no kimochi wa itsumo soba ni iru yo

Futari aenakute mo heiki da nante
Tsuyogari iu kedo tameiki majiri ne

Sugite yuku kisetsu ni oitekita takaramono
Taisetsu na piisu no kaketa pazaru da ne
Shiroi yuki ga machi ni yasashiku tsumoru you ni
Arubamu no kuuhaku wo zenbo umeteshimaou

Furi tsumoru sabishisa ni maketeshimai sou de
Tada hitori fuan na hibi wo sugoshitete mo

Daijoubu da yotte kata wo tataite
Anata wa egao de genki wo kureru ne

Tatoe hanreteite mo sono kotoba ga aru kara
Kokoro kara shiawase to ieru fushigi da ne
Awai yuki ga watashi no hiso kana omoi komete
Jyunpaku no arubamu no peeji somete kureru

Sugite yuku kisetsu ni oitekita takaramono
Taisetsu na piisu no kaketa pazaru da ne
Shiroi yuki ga machi ni yasashiku tsumoru you ni
Arubamu no kuuhaku wo zenbo umeteshimaou
