Brian is in the garden  
Where is the ball?  
It's in the garden  
Where is the father?  
He is in the garage  
And where is mummy?  
She is down the street  
Is she waiting for the bus?  
Not really  
Why isn't she in the kitchen?

Because, il faut bien que les enfants mangent pour grandir  
Et que les vieux aussi pour mourir  
PrÃ©parons le grand festin  
Daddy mangera du pain  
Et mummy f'ra d'la confiture  
Pour acheter le pain Ã  daddy  
And Brian is always in the garden

Jenny is going to school  
Where is the dog?  
He's dead  
Where is the father?  
He's fucking in the garage  
And where is mummy?  
She's not in the garage  
Is she looking for for the ball?  
Not really  
why isn't she with daddy?

Because, il faut bien que les enfants mangent pour grandir  
Et que les vieux aussi pour mourir  
PrÃ©parons le grand festin  
Daddy mangera du pain  
Et mummy f'ra d'la confiture  
Pour acheter le pain Ã  daddy  
And Brian is always in the garden

It's eight o'clock in the morning

Where is the wine?  
There is no more  
Where is the bread?  
There is no more  
Where is the father?  
He's crying in the garage  
Is mummy looking for some money?  
Not really  
Why isn't she cooking the dog and the father into?

Because, mummy elle en a eu ras la boule de daddy  
die die  
Elle est partie pour l'Italie  
Y a un Venise qui l'attendait là -bas  
Elle a laissé daddy la lesson n°6  
Et Jenny qui pourrit l'écœle  
And Brian s'est pendu in the garden
