The sea is always broken
And the boat is always drunk
And the sailermen too
La mer est toujours pleine
Le bateau toujours pÃ©tÃ©
Et les marins itou

How do you want
How do you want
We arrive to the end of the plate?

The rain is always wet
And the mermaids always afraid
And the sailermen too
La pluie toujours trempÃ©e
Les sirÃªnes toujours mouillÃ©es
Et les marins chauds (comme des marrons)

How do you want
How do you want
We arrive to the end of the plate?

The chief always says
Ocean is in a soup's plate
And the sailermen too
Le chef y dit toujours
Qu'il'ocÃ©an est dans une assiette Ã soupe
Et les marins y touillent

How do you want
How do you want
We arrive to the end of the plate?

Comment voulez-vous
Comment voulez-vous
Qu'on arrive Ã la fin de l'assiette ?

How do you want we arrive to the end of the plate?
Comment voulez-vous qu'on arrive Ã la fin de
l'assiette ?
