### "Beat On Us"

Whatever happened to us,  
it found us stuck in the middle of a plan  
I'm falling off  
If Heaven would have one less friend,  
it's not on me

Whatever happened to us,  
it found us stuck in the middle of a plan  
I'm falling off  
If Heaven is our only friend,  
I say to beat on us  
To beat on us

It's only to beat on us

Off through the courts and  
Through the wild  
Through open plastic fire  
The copper road to my world  
It's the copper road of my world  
How did you ever find me?  
How will you recognize me?  
From where to me to my box  
It's a gathering of garbage  
One lost to me

Garbage  
One lost to me

Whatever happened to us,  
Someone said "Stop the planning... or the plan"  
I'm falling off  
If Heaven is our only friend,  
I say to beat on us  
To beat on us

It's only to beat on us

You can't get the eat out of death  
That spelling is fixed, sure as day on a skeleton sets  
Forever at your neck

You can't get the eat out of death oh no that lettering  
set as a picture

Thanks to feel
