Did you misunderstand me when,  
I stoped and said hello again?  
Smile act just like you did back then,  
help me Im falling in again.

Oh.. how eyes roll...  
Turned back you dont know.  
But now I know you will.

No one gets away,  
Ill make you pay.  
Fuck up another day!  
Hold hostility in,  
with a grin because Im no one!  
No one gets away,  
Ill make you pay.  
Fuck up another day!  
Hold hostility in,  
with a grin because Im no one!

Dont you judge or question me,  
I'm still feeling misery.  
Last chance, now take a look at me,  
my soul, I feel it scattering.  
Chrome.. a hollow tip.. a sigh I wave goodbye,  
and now you understand.

No one gets away,  
Ill make you pay.  
Fuck up another day!  
Hold hostility in,  
with a grin because Im no one!No one gets away,

Ill make you pay.  
Fuck up another day!  
Hold hostility in,  
with a grin because I'm no one.. because I'm no one..  
because I'm no one.. because I'm no one!!

See now I'm alone...  
Self pity my own...  
Swallow the bullet whole...

A passage of truth...  
See now I'm alone...  
Self pity my own...  
Swallow the bullet whole...  
A passage of truth...

Know.. I walk alone.. straight into unknown...

No one gets away,  
Ill make you pay.  
Fuck up another day.  
Hold hostility in,  
with a grin because Im no one!No one gets away,  
Ill make you pay.  
Fuck up another day.  
Hold hostility in,  
with a grin because I'm no one.. because I'm no one..  
because I'm no one.. because I'm no one!!
