This is reggae music,
Welcome to the sound.
You need to look no further,
The universe is found.

Reggae music sound
This is reggae rhythm.
Written in the stars,
Get it in your system,
And there will be no wars.

Reggae, reggae, reggae, reggae, reggae, reggae
music.
Um, Reggae feeling, Reggae sound, Reggae
movement.

This is reggae feeling
Love's the only way
So recognise your brother,
And peace will come to stay.

Reggae feeling, reggae music, reggae soul now
Reggae music, Reggae time now.....
